

FUSELAGE SECTION TEMPLATES

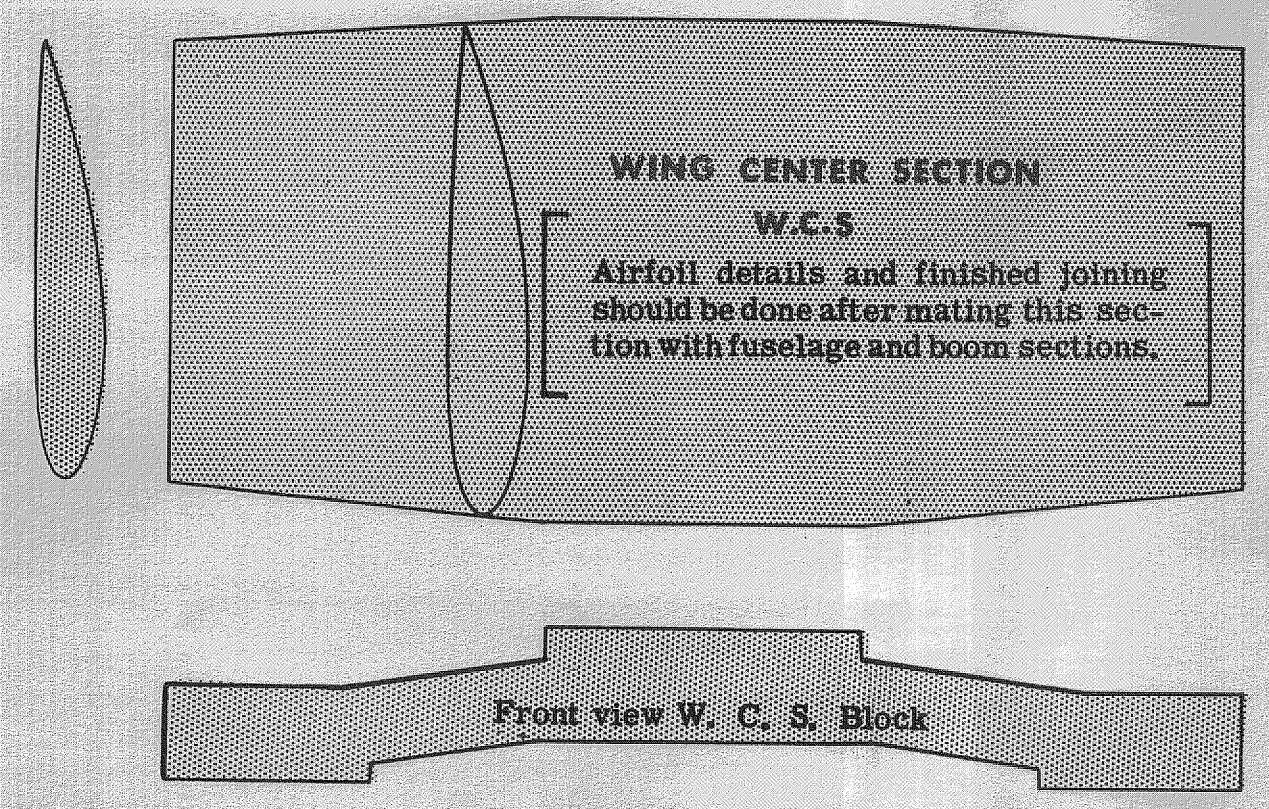

**OUTER WING PANEL LEFT**  
Reverse templates for right

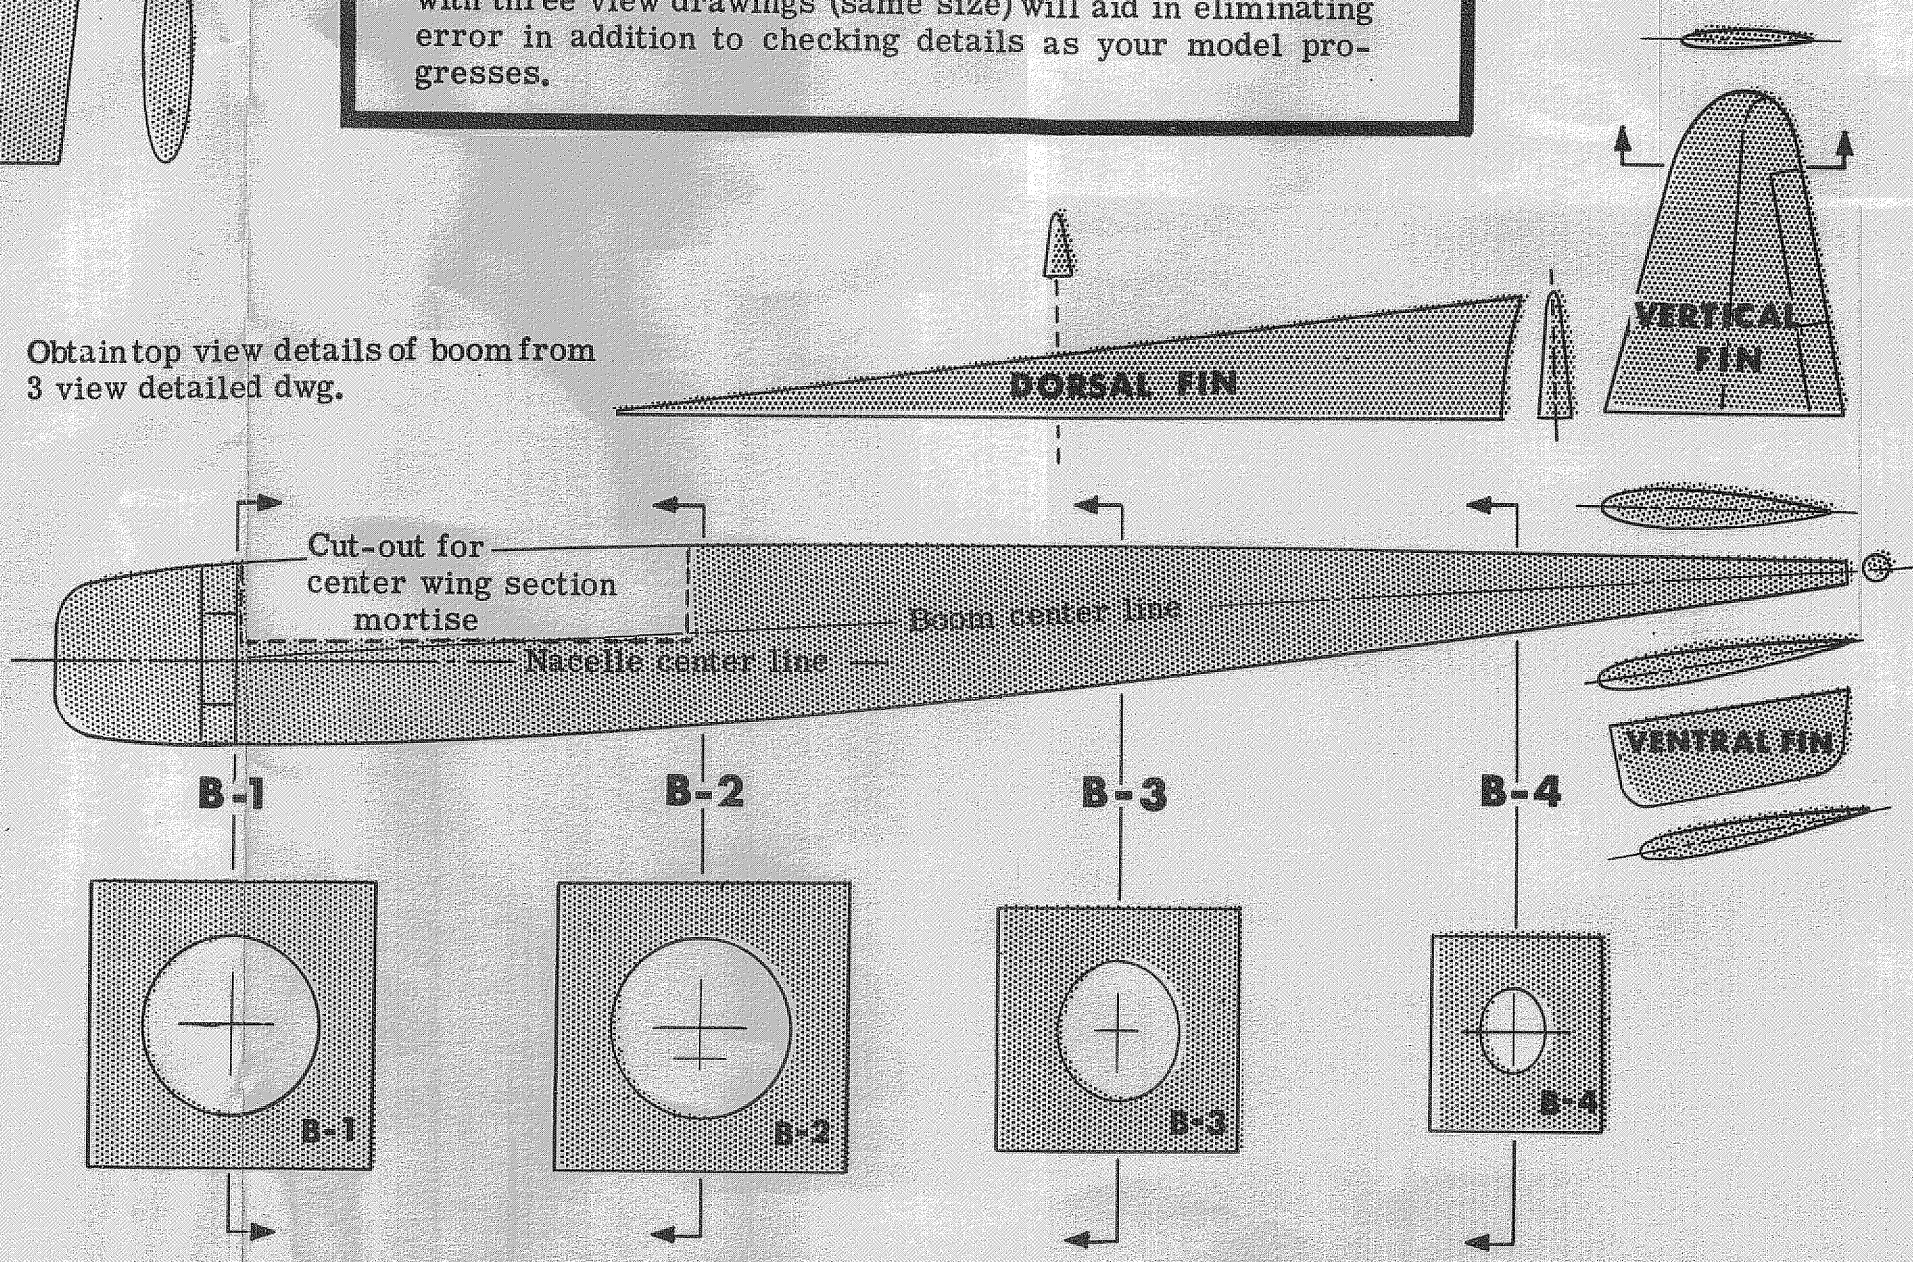

**PATTERNS & TEMPLATES**

Mount this sheet on stiff cardboard. Then cut-out templates with a sharp knife. Patterns and templates contained herein are made to scale and provided for ease and accuracy in shaping individual parts. Frequent cross check with three view drawings (same size) will aid in eliminating error in addition to checking details as your model progresses.

Obtain top view details of boom from 3 view detailed dwg.

**NACELLE-BOOM EMPENNAGE SECTION** [ 2 Required ]
